L.U.P. #3W0364-1A-EB

MEMORANDUM OF DECISION

This decision pertains to a motion to alter the Environmental Board's decision of **December 6, 1991** filed by Ridge Condominiums, Inc. (RCI) on January 3, 1992. Beverly and Burton Foster filed a response to the motion on February 3, 1992. The Board deliberated on February 12, 1992 and decided to deny all requests in RCI's motion and in the Fosters' response. The Board also determined that the hearing discussed in its decision of December 6, 1991 should be held in autumn 1992 after the leaves fall so that the project may be viewed with the leaves off the trees.

ORDER

1. The requests set forth in RCI's motion to alter and in the Fosters' response are denied.

2. The hearing discussed in the Board's decision of December 6, 1991 will be held in autumn 1992 after the leaves fall.
