Application #1R0415-8-EB
Dismissal Order

On March 2, 1984 an appeal was filed with the Environmental Board ("the Board") by Pinnacle Condominiums, Inc. from the January 31, 1984 decision of the District #1 Environmental Commission issuing Land Use Permit Amendment #1R0415-8. That permit amendment approved construction of Building F of Pinnacle Condominiums in the Town of Sherburne, Vermont.

Proceedings concerning the appeal were postponed, pending the Applicant's pursuit of a request for reconsideration before the Commission. On November 15, the Permittee submitted a written agreement to the dismissal of this appeal. The Board has considered the Permittee's request and finds that dismissal of the appeal is not contrary to the intent or purposes of 10 V.S.A., Chapter 151 or the Board's Rules. The Board, therefore, dismisses this appeal.

Dated at Montpelier, Vermont this 28th day of November, 1984.
