

## ACT 250 – List of 1-Acre and 10-Acre Towns

The following is a list, by Act 250 district and county, of 1-acre and 10-acre towns for the purposes of “development” under 10 V.S.A. § 6001(3) and “subdivision under 10 V.S.A. § 6001(19).<sup>1</sup> Towns that have adopted permanent zoning and subdivision regulations but have elected to remain “one-acre towns” are designated with an asterisk.

Since at least November 19, 2014, the Natural Resources Board has updated this list on a rolling basis and at the request of duly authorized representatives of individual municipalities. This list does not take the place of a District Coordinator’s determination in a jurisdictional opinion and it does not constitute an act or decision of a District Commission. District Coordinators, District Commissions, and the Board will determine whether a municipality is a 1-acre or 10-acre town based on the latest information available at the time the determination is made and, therefore, such determinations may differ from the designations in this list.
