10 V.S.A. Chapter 151

Re: Putney Paper Co., Inc.  
Land Use Permit #2W0436-6-EB (Revocation - First Petition)

MEMORANDUM OF DECISION

On June 30, 1995, the Environmental Board issued Altered Findings of Fact, Conclusions of Law, and Dismissal Order #2W0436-6-EB (Revocation) (the Altered Decision). This decision pertained to a revocation petition filed by Nathaniel Hendricks (the Petitioner) with respect to a permit issued for Putney Paper Company's (PPC's) paper sludge landfill located in the Town of Putney.

The Altered Decision resulted from a motion to alter filed by the Petitioner with respect to the Board's decision in this matter issued February 2, 1995. The Altered Decision is incorporated by reference.

On July 31, 1995, the Petitioner filed a motion to alter the Altered Decision. On August 10, PPC filed a response.

The Board deliberated on September 13, 1995 and voted to stand by the Altered Decision. The Board will not entertain further consideration of this matter.

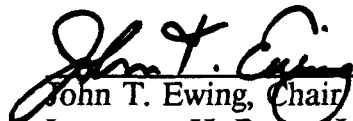

The Board notes that, on June 16, 1995, the Petitioner filed a second petition for revocation which is being handled separately. Today's decision does not pertain to such second petition.

ORDER

The motion to alter filed by the Petitioner on July 31, 1995 is denied.

Dated at Montpelier, Vermont this 4th day of October, 1995.
