On May 8, 1990, the Environmental Board received a notice of appeal from Charles and Anna Alexander concerning Land Use Permit #2W0823 issued by the District #2 Environmental Commission on March 19, 1990. This notice was dated April 3, 1990, and was erroneously sent to "The State of Vermont, Environmental Commission, Montpelier, Vermont."

On May 31, 1990, the Board's Assistant Executive Officer sent a memorandum to parties summarizing discussions with the Appellants and the Applicant. As stated in that memorandum, the Appellants and the Applicant had indicated that a settlement agreement had been reached and that the appeal need not proceed. The memorandum also stated that the Board would consider dismissing the appeal on June 13, 1990, and invited comments on the proposed dismissal no later than June 8, 1990. On June 6, 1990, the Applicant filed a copy of the settlement agreement between the Applicant and the Appellants. No other filings were received.
