RE: Woodstock Heritage, Ltd.
P.O. Box 541
Norwich, Vermont 05055

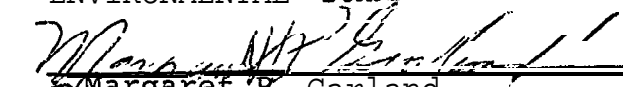

DISMISSAL ORDER
Land Use Permit #3W0373-EB-A

On February 17, 1984 the Applicant/Appellant requested leave to withdraw its appeal in the above matter and expressed its intent to remove the flag poles at issue in that appeal. On February 17, 1984 the Environmental Board ("the Board") notified the parties of its intent to consider dismissal of the appeal: no objection has been received.

The Board has considered the Applicant's request and finds that withdrawal of this appeal is not contrary to the purposes and requirements of 10 V.S.A., Chapter 151 (Act 250). The Board, therefore, dismisses the appeal and remands the matter to the District #3 Environmental Commission for further proceedings concerning Applicant's request for extension of its construction completion date.

Dated at South Burlington, Vermont this 28th day of March, 1984.
