P.O. Box 909 MEMORANDUM OF DECISION
Norwich, VT 05055-0909 AND ORDER

On October 1, 1986, the Environmental Board reviewed the information submitted by Burton A. Foster in his Petition to **Revoke** filed with the Board on July 7, 1986, together with the information provided at a prehearing conference conducted by the Board Chairman Darby Bradley on August 18 in South Royalton, Vermont. Based upon the information available to the Board at this time, it finds that there are no reasonable grounds to believe that the Permittee Quechee Lakes Corporation or any successors in interest are in violation of Land Use Permit #3W0439-EB.
