ENVIRONMENTAL BOARD  
10 V.S.A. CHAPTER 151

RE: Paul L. Handy  
Sandman Motel  
Shelburne, Vermont  
Land Use Permit #4C0366-EB

NOTICE OF  
WITHDRAWAL OF PETITION  
FOR PERMIT REVOCATION

A Petition for Permit Revocation was filed with the Environmental Board on November 5, 1979 by the Town of Shelburne and the Town of Shelburne Planning Commission to revoke Land Use Permit No. 4C0366 pursuant to 10 V.S.A. §6090(b) and Environmental Board Rule 24. The permittee is Paul L. Handy, Sandman Motel, Shelburne, Vermont. The permit was issued for the construction of a twenty (20) unit addition to the Sandman Motel.

A pre-hearing conference was held on this matter on December 5, 1979. The discussion at this meeting concerned the **permittee's request** to delay scheduling a permit revocation hearing before the Environmental Board until the District #4 Environmental Commission had heard and made a determination on the **permittee's** application for an amendment to the land use permit issued for the project.

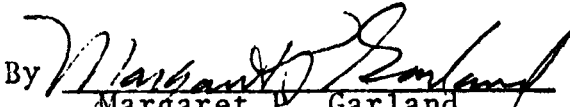

The District #4 Environmental Commission issued a Land Use Permit Amendment on January 9, 1980, authorizing the permittee to construct ten (10) additional motel units on Level One of the **20-unit** structure approved in Land Use Permit #4C0366.

Consequently, under date of February 1, 1980 the Town of Shelburne and the Shelburne Planning Commission withdrew the Petition for Permit Revocation.

Accordingly, the Environmental Board hereby dismisses the Petition for Permit Revocation and returns jurisdiction over the permit to the District Environmental Commission.

Dated at Montpelier, Vermont this 21st day of February, 1980.
