10 V.S.A. Chapter 151

RE: **Woodside** Construction by Dismissal Order
William D. Robinson, Esq. Application #4C0764-EB
P.O. Box 123
Colchester, Vermont 05446

On August 10, 1989, an appeal was filed with the Environmental Board by **Woodside** Construction, through its attorney, William Robinson, from Findings of Fact, Conclusions of Law and Order #4C0746 issued by the District #4 Environmental Commission on July 11, 1989. The District Commission denied the application for the construction of 20 condominiums on 35 acres of land located off Lakeshore Drive in Colchester, Vermont. The Applicant appealed with respect to 10 V.S.A. § 6086(a)1(B) (waste disposal), 1(F) (shorelines), and 3 (impact on existing water supply).

On November 20, 1989, the Applicant withdrew its appeal because the District Commission acted upon the Applicant's request for reconsideration. The Board has determined that withdrawal of the appeal is not contrary to the intent or purposes of Act 250 or the Board's rules. Therefore, this appeal is hereby dismissed.

Dated at Montpelier, Vermont this 25th day of June, 1990.
