STATE OF VERMONT
ENVIRONMENTAL BOARD
10 V.S.A., CHAPTER 151

RE: William Dibbern
Box 427
Barre, VT 05641

ORDER OF REVOCATION AND
DISMISSAL
Land Use Permit Amendment
#5R0194-1

On August 9, 1982 the Environmental Board (the "Board") received notice from William Dibbern, Permittee in Land Use Permit Amendment **#5R0194-1**, that he does not intend to pursue the housing project in Williamstown, Vermont. On July 12, 1982, Appellants renewed their motion to reopen the appeal in this matter, submitting evidence that the Permittee's Certificate of Compliance, #PB-5-0305, was revoked by the Agency of Environmental Conservation, Division of Protection. This certificate was relied upon by the District #5 Environmental Commission in establishing compliance with Criteria 9(B), 2, and 3 under 10 V.S.A. §6086(a). On this basis, the Board, in its Memorandum of Decision dated July 22, 1982, granted Appellants' motion to reopen.

ORDER

In light of the Permittee's notice of intent not to pursue this project and the withdrawal of the Certificate of Compliance, the Board hereby revokes Land Use Permit Amendment **#5R0194-1** and dismisses the appeal. Any party objecting to this order should notify the Board by August 23, 1982. If no objectionspre received by this date, this order shall become final.

Dated at Montpelier, Vermont this 11th day of August, 1982.
