NOTICE OF DISMISSAL
OF APPEAL
Land Use Permit #5W0572-EB

On March 13, 1980 the Environmental Board received an appeal by Juster Associates from Land Use Permit #5W0572 issued by District #5 Environmental Commission on February 14, 1980. The permit authorized the construction of a 68,000 square foot addition and renovation of 30,000 square feet at the Central Vermont Medical Center, Berlin, Vermont.

The Chairman of the Environmental Board scheduled a pre-hearing conference on this appeal for Tuesday, March 25, 1980. On that date, both the applicant Central Vermont Medical Center and the appellant Juster Associates requested an indefinite delay in the prehearing conference, and stipulated to a waiver of any time limitation for the determination of the appeal required by 10 V.S.A. §§6085 and 6089. On April 10, 1980, appellant Juster Associates filed a notice withdrawing its appeal. On April 22, 1980, the Environmental Board voted unanimously to accept that withdrawal, having received no objections to the withdrawal from any other party and finding that the withdrawal was consistent with the purposes and requirements of Act 250.

Accordingly, appeal #5W0572-EB is hereby dismissed.

Dated at Montpelier, Vermont this 20th day of May, 1980.
