10 V.S.A. Chapter 151

RE: Vermont Department of State Buildings
Land Use Permit #900011-1-EB

DISMISSAL ORDER

On April 3, 1991, appeals were filed with the Environmental Board by Chip and Marilyn Carpenter and by the Citizens for Responsible Growth, and on April 5 by Jacob Schumacher, from Land Use Permit #900011-1-EB, Findings of Fact, Conclusions of Law and Order issued by District #2 Environmental Commission on March 8, 1991, which authorizes construction of a correction institution facility adjacent to the existing prison farm in Windsor.

On August 22, 1991, the Board received a letter from Andrew W. Maclean on behalf of the Vermont Department of State Buildings stating that the Department wished to withdraw its permit application. The Board deliberated on December 19, 1991 and decided that dismissal of this matter is not contrary to the values embodied in Act 250. Therefore, this appeal is dismissed, and Land Use Permit #900011-1 is void.

Dated at Montpelier, Vermont this ~~30~~ day of January, 1992.
