SPECIAL WETLANDS DISCLAIMER

A desktop review cannot definitively confirm the presence or absence of a wetland in or within fifty feet of your project site. This review sheet is the result of a desktop review that included reviewing the project site with these mapping tools available at <https://anr.vermont.gov/maps>. Many wetlands do not appear on these maps. You are advised to review the site on the ground for wetlands, regardless of whether this box is checked or not (<https://dec.vermont.gov/watershed/wetlands/what/guide>). To confirm the presence/absence of wetlands, contact a qualified environmental consultant (<https://dec.vermont.gov/watershed/wetlands/what/id/wetland-consultant-list>) or the State Wetlands Program (<https://dec.vermont.gov/watershed/wetlands>).
