ENVIRONMENTAL BOARD
10 V.S.A., CHAPTER 151

RE: Peter and Carol Vandertuin
Wilmington, Vermont

Dismissal of
Declaratory Ruling
Request No. 131

A declaratory ruling request was filed on October 14, 1981, on behalf of James Rodgers requesting a declaratory ruling from the Environmental Board (the "Board") as to whether the proposed purchase of certain land originally sold to Peter H. Elitzer, et al. and purchased by Peter and Carol Vandertuin in July, 1981, and a lot sold to Peter and Carol Vandertuin in September, 1977, Wilmington, Vermont, requires a Land Use Permit pursuant to 10 V.S.A. §6081 and Board Rule 2(A) (6).

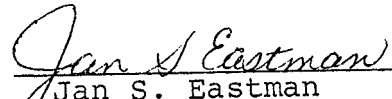

On March 3, 1982, the petitioner withdrew the declaratory ruling request.

The Board has reviewed this matter and now accepts petitioner's withdrawal, finding it not contrary to the purposes or requirements of 10 V.S.A., Chapter 151 (Act 250).

Dated at Montpelier, Vermont this 5th day of March, '1982.
