DISMISSAL ORDER  
Declaratory Ruling Request  
#143

On February 25, 1983, Ronald L. Saldi, Sr. filed a Petition for Declaratory Ruling with the Environmental Board ("the Board") appealing Executive Officer Advisory Opinion EB-83-13 dated February 3, 1983. That opinion concluded that changes to the Williamstown Shopping Center, including conversion of an existing grocery store into six efficiency apartments, require an Act 250 permit.

Prior to the convening of a prehearing conference in this matter on March 22, 1983, the Petitioner requested an indefinite postponement. On August 22, 1983, the Board inquired into the status of this matter but received no response from the Petitioner. On July 9, 1984, the Board notified the Petitioner and other parties of its intent to consider dismissal of the Petition at its regularly scheduled July 25, 1984 meeting. The Board has received no response to that notice. Therefore, concluding that dismissal is not contrary to the purposes or requirements of 10 V.S.A., Chapter 151, Declaratory Ruling Petition #143 is hereby dismissed.

Dated at Montpelier, Vermont this 8th day of August, 1984.
