Declaratory Ruling #226
Dismissal Order

On December 5, 1989, a petition for a declaratory ruling was filed with the Environmental Board by the City of Montpelier through its attorney, J. Paul Giuliani, concerning the District #5 Environmental Coordinator's letter of November 9, 1989, denying acceptance of the City's letter of October 31, 1989 as an application for a land use permit for the Terrace Street pump station in the City of Montpelier.

On July 24, 1990, the Applicant withdrew its petition since it has filed a complete application with the District Commission. The Board has determined that withdrawal of the petition is not contrary to the intent or purposes of Act 250 or the Board's rules; therefore, this petition is hereby dismissed.

Dated at Montpelier, Vermont this 1st day of August, 1990.
