Subject: Comment on land use panel v Mark and Julie Pernokas

Hi,

My name is Ted Page, and I am one of the owners of Willoughby Farm, with lakefront land on the eastern shore of Lake Willoughby. My family and I have been seeing the changes to the Pernokas property for the past few years with growing concern. Frankly, it used to be really beautiful – one of the real gems on Lake Willoughby. Now it basically it looks like hell.

All of us are caretakers of the land around the lake and we need to be respectful of the place and our neighbors. I hope that moving forward that the property owners will work with the state to restore the property in a way that is mindful of the state laws, but – more important – mindful of others who enjoy Lake Willoughby and its amazing natural beauty.

Sincerely,

Ted Page
